The Kent and Medway Medical School

Our vision for the Kent and Medway Medical School (KMMS) is to ensure that this new medical school for Kent and Medway becomes a beacon for first-class medical education and research. The School will attract the most talented aspiring doctors from within the local community and beyond, offering training and development opportunities that will help to keep that talent in Kent and Medway.

KMMS will produce graduates who will have the curiosity, academic, professional and clinical skills to find global solutions to local challenges and whose training will have prepared them to lead, manage and innovate in 21st Century healthcare.

KMMS brings together the existing centres of excellence in health and medical education provided by the University of Kent and Canterbury Christ Church University and local healthcare organisations, to offer a new model of person-centred medical education.

Lead by its Founding Dean, Professor Chris Holland, the School welcomed its first cohort of students in September 2020 and will offer 100 undergraduate medical places on a yearly basis. The five-year undergraduate programme is taught at the Canterbury campuses of both university partners with medical placements within primary, community and secondary care across Kent and Medway.

Work Life Balance:	<p>The University recognises that staff have responsibilities and interests that have to be balanced with working life. It is the University's aim to create a well-managed, flexible working environment that supports staff and their families, promotes welfare, maintains working practices and provides a productive balance between work and life outside work. Operational needs must be taken into account, but managers are encouraged to be innovative in organising their team and respond positively to requests to alter working patterns to enable staff to fulfil more effectively their professional and personal commitments.</p>
Childcare:	<p>Oaks Day Nursery (Canterbury Campus): The Oaks Nursery based at the Canterbury Campus is an excellent benefit for staff and a great asset to the University. For more information: https://kentunion.co.uk/oaks</p> <p>Medway Campus: There is no University run day nursery at the Medway Campus, however the closest nursery to the campus is run by Busy Bees. Nursery Salary Exchange Scheme:	<p>Nursery Salary Exchange Scheme Workplace Nurseries are childcare facilities provided by an employer and which are offered to employees, through a tax efficient salary sacrifice scheme. This arrangement means staff agree to receive a lower amount of gross pay and in return will be provided with free (or part thereof) workplace nursery places.</p>

Employees whose contract of employment specifies that their place of work is their home</p>

Relocation expenses can be made available for those who have to move to the vicinity of a University Campus to a post, which is tenable for two or more years, and a Grade 7 or above.</p>
