In REF2014, Bioscience at Kent was ranked 7th based on 'research intensity', and the appointment of a range of high calibre staff since 2014 has meant that research quantity and quality have risen still further. This is now an extremely active research environment. The School has a collegiate atmosphere with around 40 academic staff and Research Fellows, and its critical mass and excellence are focused on a number of core research themes, namely:

- Industrial Biotechnology
- Infection and drug resistance
- Cancer and age-related diseases
- Cellular architecture and dynamics
- Reproduction, evolution and genomics

The School of Biosciences host several state-of-the art technologies and facilities including nuclear magnetic resonance (NMR), mass spectrometry, fluorescence microscopy, electron microscopy, computation, and protein purification/ analysis. All these facilities are well supported in terms of staff and finances.

The School of Biosciences is a welcoming and diverse environment that has been recognised with a Bronze Athena SWAN award. We are keen to enhance the balanced, inclusive, and diverse nature of the community within the School and would particularly encourage female candidates to apply for this post.

Work Life Balance:	<p>The University recognises that staff have responsibilities and interests that have to be balanced with working life. It is the University's aim to create a well-managed, flexible working environment that supports staff and their families, promotes welfare, maintains working practices and provides a productive balance between work and life outside work. Operational needs must be taken into account, but managers are encouraged to be innovative in organising their team and respond positively to requests to alter working patterns to enable staff to fulfil more effectively their professional and personal commitments.</p>
Childcare:	<p>Oaks Day Nursery (Canterbury Campus): The Oaks Nursery based at the Canterbury Campus is an excellent benefit for staff and a great asset to the University. Places are offered on a first come first served basis and baby places are particularly limited so staff may wish to make contact as soon as their pregnancy is confirmed. For more information: https://kentunion.co.uk/oaks</p> <p>Medway Campus: There is no University run day nursery at the Medway Campus, however the closest nursery to the campus is run by Busy Bees. For more information: http://www.busybeeschildcare.co.uk/nursery/chatham</p> <p>In October 2018 the Government launched a new Tax-Free Childcare scheme; new members of staff may now be able to get tax-free childcare paying up to £500 every 3 months (£2,000 per year) for each child to help with childcare costs. See https://www.gov.uk/help-with-childcare-costs/tax-free-childcare for further information.</p>
Nursery Salary Exchange Scheme:	<p>Nursery Salary Exchange Scheme Workplace Nurseries are childcare facilities provided by an employer and which are offered to employees, through a tax efficient salary sacrifice scheme. The Workplace Nursery Salary Exchange Scheme (for users of the Oaks Nursery on Canterbury Campus) enables eligible staff to opt to receive a lower salary – a salary exchange – in return for the University paying an equivalent amount of his/her nursery fees, via an amendment to contract. This arrangement means staff agree to receive a lower amount of gross pay and in return will be provided with free (or part thereof) workplace nursery places.</p>
Travel Expenses and Relocation:	<p>Travel Expenses Travel between an employee's home and their normal place of employment (as specified in the contract of employment) is private travel and will not be reimbursed by the University. Employees who spend time working at home but otherwise have a place of work at a University location must also treat travel to and from that location as a private journey. Employees whose contract of employment specifies that their place of work is their home</p>

address, but occasionally visit a University location, may treat the travel as a business journey. This should be taken into consideration before accepting the role and salary on offer.

Relocation expenses can be made available for those who have to move to the vicinity of a University Campus to a post, which is tenable for two or more years, and a Grade 7 or above.
